TRELLO MARKS

These are the marks for the Process component of the coursework.

This part has two components: the structure of the Trello board, which should have four columns: Backlog, Doing, Review, and Done, and the use of the board: how often you, as a group, actually did something (the minimum requirement was weekly).

Section/+ Component	Mark
Marks	
+ partA: *Board exists and is accessible.*	**Outstanding**
• *Was a board URL submitted?* Yes. Trello board URL submitted. • *Is the board accessible?* Yes. Trello board exists and is accessible. Outstanding.	
+ partB: *Board structure.*	**Outstanding**
• *Is there a Backlog column?* Yes. Backlog column present. • *Is there a Doing column?* Yes. Doing column present. • *Is there a Review column?* Yes. Review column present. • *Is there a Done column?* Yes. Done column present. Outstanding.	
+ partC: *Board activity.*	**Marginal fail**
• *Does activity start at the first week?* No. Start later than start of project. (46) • *Does activity continue to the last week?* Yes. Activity ends at end of project. (54) • *Is there weekly activity?* No. Less than weekly activity. (6) Only activity is at the end.	
+ partD: *Additional comments.*	**0**
